Northeast Utilities

James Holodak, Jr.  
VP, Regulatory Strategy  
National Grid USA

Anthony Marone  
Sr. VP, Customer & Business Services  
UIL

Gentlemen:

Thank you for your April 22, 2014 letter and continued strong interest in the New England Governors' infrastructure initiative. NESCOE appreciates your constructive input as well as your appreciation for the need to act expeditiously in moving solutions forward. We are closely considering and analyzing your proposal as NESCOE continues to work with regional stakeholders on a preferred approach.

Sincerely,

/s/ Heather Hunt

Heather Hunt
